It is agreed The Bradley Center shall provide Education Services in accordance with each enrolled student's IEP, 504 service plan, or sending school district's requirements.

Services will be provided per Bradley's official school calendar during each day the sending district has elected to enroll a student. **The cost for services is \$163.43 per day per enrolled child.**

Additional costs for related and ancillary services provided at The Bradley Center are as follows:

- Group Therapy/Individual Therapy--- included in daily tuition rate and no extra cost to the District
- One to One Staff Support- \$20.42/hour
- We contract all related services and ELL services with the Allegheny Intermediate Unit. Rates will be determined by the AIU.

The Bradley Center is also able to offer psychological services by a certified school psychologist within the school district. **The cost for services is \$75.00 per hour for each school psychologist referral the school district makes.**

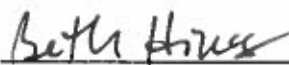

An invoice with allocations of costs will be issued on a monthly basis. Costs for psychological services may include, but are not limited to,

- Testing of students
- Meeting with teachers to collect data
- Observing students, including functional behavior assessments per requested by school district
- Administrative time to interpret data and write reports

- Attendance at meetings per requested by school district

In the event that a withdraw of services is requested by The Bradley Center or Chartiers Valley School District, a 30 day notice will be provided by the requesting party unless a change of placement is warranted by the IEP team and a placement option is identified.

Dear Special Education Directors:

Thank you for your continued support of The Bradley Center's Day School. Enclosed is our school calendar for the upcoming year; these calendars will be mailed to the students/parents and your transportation departments as well.

The first day of school for students is September 3rd. School begins at 8:00 AM and ends at 2:30 PM. Busses may arrive between 7:45-8:00 in the morning and 2:25-2:45 in the afternoon. Students will continue to be provided breakfast and lunch at no charge.

We continue with our school expansion construction project, which will increase our programming opportunities. Our program will continue to serve grades 1-12. Although our program can individualize the needs of most students, we do not offer a full time autistic support program at this time.

Please also find enclosed an **Agreement for Educational Services** that outlines the cost of services provided by Bradley. The tuition rate for the 2019-2020 school year will be \$163.43 per day, per enrolled child. Additionally, when a district has three or more students enrolled at the same time, we will be offering a 5% discount on each student's tuition.

Please do not hesitate in contacting me if you have any questions or concerns. I look forward to working with you this year to provide successful learning experiences for our students.

Educationally yours,

Melanie Karpinski
Director of Education/Principal
